Shoalhaven Heads Meals on Wheels	C4 - Home and Community Care & Disability Services	As a cooking Meals on Wheels Kitchen we have to pass an Audit by the Food Authority every year. We always receive an A rating but as part of that Audit the floor covering must be in perfect condition with no holes or waves in it. At present it is beginning to wear and waves are starting to form. As well as a Health & Safety issue for our Volunteers it will mean that we would not pass the next Audit, thus stopping us from providing meals to our 42 Clients.	\$ 3,500.00	\$ -

Shoalhaven Heads Play Group	B1 - Neighbourhood Centre/Youth Drop in Activities	Our playgroup has been running for 25 years and community donations play a big part in keeping this group up and running. Our group has approx. 15 families accessing our services on any given week. We offer a range of activities on a weekly basis including reading, interactive play, healthy eating workshops, dancing, craft and encouraged physical activities. This enables kids to interact with peers in a safe play environment and allows parents, grandparents and families to share experiences and develop networks within the community. The funds provided would assist the group in purchasing new educational toys and activities for the children which would be used on a weekly basis, assist in improvements to our out door play area, assist with the cost of our weekly craft / activity and with the yearly end of year Christmas party. We would also use the funds to contribute towards our weekly rental costs.	\$ 2,000.00	\$ -
