Major Draw Rules

The dates of the major draws are as follows:

Friday 24th October 7pm

Friday 21st November 7pm

Friday 19th December 7pm

There will be a barrel at reception for members to swipe their card to place a ticket. This will only be printed on the day of each major draw, available all day until 7pm. This barrel will have no influence on the initial draw, only coming into effect if there is no winner of the main draw. The barrel will act as the **Second Chance Draw**.

The **Main Draw** will be a standard Badge Draw. Beginning at 7pm, a staff member will randomly draw a member from the promotional tablet. A member must be valid, financial and at the raffle booth within 4 minutes of drawing to be eligible to win the prize. A staff member will continue to draw a member every 4 minutes until a member is present in the club. This member will win \$5,000. If after **10** draws a member isn't present, the Second Chance Draw will begin.

A staff member will then ensure the barrel has been spun before drawing out a member who has swiped their card this day. This member will win \$1,000. This process will be completed a total of 5 times to give away \$5,000 total, per major draw.

All participants must be valid members. No board members or staff members (on or off duty) are eligible to win.

Managements decision is final.
